Commissioner for Patents

Dear Sir:

Applicant respectfully petitions to correct the filing date of the above-captioned application.

**STATEMENT OF FACTS**

The attorneys for the assignee of this application, Great Stuff, Inc., mailed the above-captioned application by Express Mail on March 5, 2004. The Express Mail number for the application package was EV 319028732 US. The official filing receipt shows a filing date of March 8, 2004.

On August 6, 2004, the attorneys filed a Request for Corrected Filing Receipt. On September 13, 2004, the Office mailed a Response to Request for Corrected Filing Receipt, in which the Office indicated that a Petition to correct the filing date should be submitted.

On November 9, 2004, Applicant filed a Petition to Correct Filing Date under 37 C.F.R. § 1.181, which the Office treated as a petition under 37 C.F.R. § 1.10(c). In support of the petition, Applicant submitted a confirmation sheet printed from the United States Postal Service (USPS) website (<http://www.usps.com/shipping/trackandconfirm.htm>), which shows that the

Appl. No. : 10/801,163  
Filed : March 8, 2004

package corresponding to Express Mail no. EV 319028732 US was accepted by the USPS on March 5, 2004 and delivered to the Patent Office on March 8, 2004. Applicant did not submit a copy of the Express Mail mailing label.

On October 5, 2005, the Office of Petitions mailed a Decision on Petition under 37 C.F.R. § 1.10(c), indicating in substance that Applicant's first petition was dismissed for failure to submit a copy of the Express Mail mailing label as required by 37 C.F.R. § 1.10(c)(3). The Decision indicates that checks of both the Office's USPS Express Mail Finder Database computer program and the USPS website were inconclusive. With regard to the latter, the Decision indicates that the USPS website now states that the information pertaining to this Express Mail label number is stored off-line. However, the Decision further states:

"However, Petitioner has enclosed a print-out from this same website, presumably from prior to the information being taken off-line. This print-out shows an entry of 'Acceptance, March 05, 2004, 4:46 pm, San Francisco, CA 94111.' Thus, *it is clear that the USPS was in possession of this package on this date.*"

Decision on Petition under 37 C.F.R. § 1.10(c), p. 2 (emphasis added). Accordingly, the Decision *admits* that the application was properly filed on March 5, 2004. The Decision expressly invites Applicant to file a petition under 37 C.F.R. § 1.183 to request that the Office waive 37 C.F.R. § 1.10(c)(3).

A check of the USPS website shows that the mailing information for Express Mail No. EV 319028732 US (which is shown in the confirmation sheet originally submitted to the Office) can be obtained via email, simply by entering the Express Mail number and a valid email address into appropriate fields within the website, notwithstanding the fact that the information is stored off-line. Applicant invites the Office to obtain an email from the USPS with the mailing information for this Express Mail number. In any case, Applicant's attorney Sonny Gill (same as undersigned) has obtained such an email, a copy of which is enclosed herewith.

#### **DOCUMENTS ENCLOSED**

Enclosed herewith are copies of:

Appl. No. : 10/801,163  
Filed : March 8, 2004

- (1) Applicant's Express Mail receipt for the application showing Express Mail no. EV 319028732 US. This copy is of the receipt prior to processing by the Post Office. Applicant is not in possession of the processed receipt.
- (2) Express mail Certificate of Mailing for the application, again showing Express Mail no. EV 319028732 US and dated March 5, 2004.
- (3) A confirmation sheet printed from the USPS website. The sheet shows that the package corresponding to Express Mail no. EV 319028732 US was accepted by the Postal Service on March 5, 2004 and delivered to the Patent Office on March 8, 2004.
- (4) The Official Filing Receipt showing a filing date of March 8, 2004.
- (5) Applicant's request for a corrected filing receipt received August 6, 2004.
- (6) The Office's response to Request for Corrected Filing Receipt mailed September 13, 2004.
- (7) Declaration of Carol Ann Macarty, the attorneys' U.S. docketing agent.
- (8) Ms. Macarty's logsheet from March 5, 2004.
- (9) Applicant's Petition to Correct Filing Date under 37 C.F.R. § 1.181, filed November 9, 2004.
- (10) Decision on Petition under 37 C.F.R. § 1.10(c), mailed by the Office of Petitions on October 5, 2005.
- (11) Email from the USPS, indicating that the application corresponding to Express Mail No. EV 319028732 US was accepted by the USPS in San Francisco on March 5, 2004, at 4:46 pm.

#### **POINTS TO BE REVIEWED**

Under 37 C.F.R. § 1.10(a)(1), any correspondence received by the U.S. Patent and Trademark Office (USPTO) that was delivered by the "Express Mail Post Office to Addressee" service of the USPS will be considered filed with the USPTO on the date of deposit with the USPS. "The date of deposit with the USPS is shown by the 'date in' on the 'express mail' label *or other official USPS notation.*" 37 C.F.R. § 1.10(a)(2) (emphasis added).

In this case, the enclosed confirmation sheet from the USPS website clearly shows that the application, which was filed under Express Mail no. EV 319028732 US, was deposited with

Appl. No. : 10/801,163  
Filed : March 8, 2004

the USPS on March 5, 2004. Applicant respectfully submits that the confirmation sheet from the USPS website is "other official USPS notation" within the meaning of 37 C.F.R. § 1.10(a)(2).

In relevant part, 37 C.F.R. § 1.183 states "In an extraordinary situation, when justice requires, any requirement of the regulations in this part which is not a requirement of the statutes may be suspended or waived by the Director or the Director's designee, ... on petition of the interested party, subject to such other requirements as may be imposed."

### ACTION REQUESTED

Applicant respectfully requests that the Official Filing Receipt be corrected to reflect the true filing date of March 5, 2004. In this case, it is clear that Applicant's attorneys' agent deposited the application at the USPS Post Office by the Express Mail Post Office to Addressee service of the USPS on March 5, 2004. Notwithstanding the requirement to submit a copy of the Express Mail label under 37 C.F.R. § 1.10(c)(3), the enclosed confirmation sheet from the USPS website and the enclosed email from the USPS together comprise "other official USPS notation" within the meaning of 37 C.F.R. § 1.10(a)(2). Thus, under 37 C.F.R. § 1.10(a)(1), the Office should consider this application as being filed on March 5, 2004.

Alternatively, under 37 C.F.R. § 1.183, Applicant respectfully requests that the requirements of 37 C.F.R. § 1.10(c)(3) be suspended or waived by the Director or the Director's designee. The petition fee set forth in 37 C.F.R. § 1.17(f) is enclosed herein.

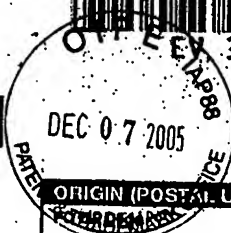

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

Dear Sir:

Applicant respectfully petitions to correct the filing date of the above-captioned application.

**Statement of Facts**

The attorneys for the assignee of this application, Great Stuff, Inc., mailed the above-captioned patent application by Express Mail on March 5, 2004. The Express Mail No. for the application package was EV 319028732 US. The Official Filing Receipt shows a filing date of March 8, 2004.

On August 6, 2004, the attorneys filed a Request for Corrected Filing Receipt. On September 13, 2004, the Office mailed a Response to Request for Corrected Filing Receipt, in which the Office indicated that a petition to accord a filing date should be submitted. The present petition is being submitted accordingly.

Enclosed herewith are copies of:

Appl. No. : 10/801,163  
Filed : March 8, 2004

1. Applicant's Express Mail receipt for the application, showing Express Mail No. EV 319028732 US. This copy is of the receipt prior to processing by the post office. Applicant is not in possession of the processed receipt.
2. The Express Mail certificate of mailing for the application, again showing Express Mail No. EV 319028732 US, and dated March 5, 2004.
3. A confirmation sheet printed from the United States Postal Service website. This sheet shows that the package corresponding to Express Mail No. EV 319028732 US was accepted by the Postal Service on March 5, 2004 and delivered to the Patent Office on March 8, 2004.
4. The Official Filing Receipt, showing a filing date of March 8, 2004.
5. Applicant's Request for Corrected Filing Receipt, filed August 6, 2004.
6. The Office's Response to Request for Corrected Filing Receipt, mailed September 13, 2004.
7. Declaration of Carol Ann Macarty, the attorneys' U.S. docketing agent.
8. Ms. Macarty's log sheet for March 5, 2004.

Points to Be Reviewed

Under 37 C.F.R. § 1.10(a)(1), any correspondence received by the U.S. Patent and Trademark Office (USPTO) that was delivered by the "Express Mail Post Office to Addressee" service of the United States Postal Service (USPS) will be considered filed with the USPTO on the date of deposit with the USPS. "The date of deposit with USPS is shown by the 'date in' on the 'Express Mail' label *or other official USPS notation.*" 37 C.F.R. § 1.10(a)(2) (emphasis added).

In this case, the enclosed confirmation sheet from the USPS website clearly shows that the application, which was filed under Express Mail No. EV 319028732 US, was deposited with the USPS on March 5, 2004. Applicant respectfully submits that the confirmation sheet from the USPS website is "other official USPS notation" within the meaning of 37 C.F.R. § 1.10(a)(2).

DECISION ON PETITION  
UNDER 37 C.F.R. §1.10(C)

**BEST AVAILABLE COPY**

BACKGROUND

This is a decision on the petition filed November 12, 2004, under 37 C.F.R. §1.181, which is properly treated as a petition under 37 C.F.R. §1.10(c), requesting that the above-identified application be accorded a filing date of March 5, 2004.

The Office regrets the delay in issuing this decision.

Shortly after the above-identified application was received in the Office, the Office of Initial Patent Examination mailed Petitioner's filing receipt, indicating that the application had been accorded a filing date of March 8, 2004.

Petitioner has alleged that the application was deposited on March 5, 2004, and the Patent Office has incorrectly assigned a filing date of March 8, 2004 to the instant application. Petitioner has set forth that this application was sent to the Office via the "Express Mail Post Office to Addressee" service of

the United States Postal Service (USPS), and that Express Mail label EV319028732US<sup>1</sup> was associated with this mailing. It is further noted that Petitioner has not included a copy of the Express mail label with his petition - Petitioner has set forth that he is not in possession of the processed receipt<sup>2</sup>.

A check of the Office's USPS Express Mail Finder Database computer program was inconclusive. A check of the United States Postal Service's website (<<http://www.usps.com/shipping/trackandconfirm.htm>>) was also inconclusive, in that it stated that the information pertaining to this Express Mail label number is stored off-line.

However, Petitioner has enclosed a print-out from this same website, presumably from prior to the information being taken off-line. This print-out shows an entry of "Acceptance, March 05, 2004, 4:46 pm, San Francisco, CA 94111." Thus, it is clear that the USPS was in possession of this package on this date.

#### THE RELEVANT PORTION OF THE MPEP

37 C.F.R. § 1.10 Filing of correspondence by "Express Mail" sets forth, in part:

(c) Any person filing correspondence under this section that was received by the Office and delivered by the "Express Mail Post Office to Addressee" service of the USPS, who can show that there is a discrepancy between the filing date accorded by the Office to the correspondence and the date of deposit as shown by the "date-in" on the "Express Mail" mailing label or other official USPS notation, may petition the Director to accord the correspondence a filing date as of the "date-in" on the "Express Mail" mailing label or other official USPS notation, provided that:

(1) The petition is filed promptly after the person becomes aware that the Office has accorded, or will accord, a filing date other than the USPS deposit date;

(2) The number of the "Express Mail" mailing label was placed on the paper(s) or fee(s) that constitute the correspondence prior to the original mailing by "Express Mail;" and

(3) The petition includes a true copy of the "Express Mail" mailing label showing the "date-in," and of any other official notation by the USPS relied upon to show the date of deposit.

(a)(1) revised, 68 FR 48286, Aug. 13, 2003, effective Sept. 12, 2003]

#### ANALYSIS

37 C.F.R. §1.10(c)(3) requires that any petition under this section of the C.F.R. include a true copy of the "Express Mail" mailing label showing the "date-in," and of any other official notation by the USPS relied upon to show the date of deposit. Since it does not appear that a copy of the express mail label has been included, this petition cannot be granted.

If a true copy of the Express Mail label cannot be obtained, Petitioner may wish to consider filing a petition under 37 C.F.R. §1.183 to request that the Office waive 37 C.F.R. §1.10(c)(3).

#### CONCLUSION

Therefore, this petition is **DISMISSED**.

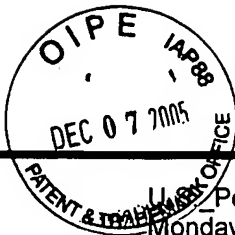

The filing date will remain March 8, 2004.

The general phone number for the Office of Petitions which should be used for status requests is (571) 272-3282. Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3225.
